

FINDING **BLINKRx** IN THE EMR

Locate BlinkRx in the EMR

START by searching for “BlinkRx” in the EMR system’s pharmacy search tool

- BlinkRx is listed as **BlinkRx U.S. Boise, Idaho**

BlinkRx address:

12639 W Explorer Dr, Suite 100
Boise, ID 83713

BlinkRx phone:

1 (833) 566-9650

NCPDP number:

1310488

- Confirm both “mail order” and “retail” pharmacies are selected when conducting a search
- Ensure any other limiting search criteria are unselected

If the provider is unable to locate BlinkRx in the EMR, proceed to Troubleshooting Step 1.

Troubleshooting Guide

1. Manually add BlinkRx to the EMR

- Locate the “new” or “add” button in the pharmacy selection screen
- Input all relevant BlinkRx details (see previous step) and save

If the provider is unable to manually add a pharmacy to the EMR, proceed to Step 2.

2. Coordinate with a BlinkRx Specialist at **1 (833) 566-9650**

- A BlinkRx Specialist will request the provider’s EMR system (i.e. Athena, SRS, Epic)
- A BlinkRx Specialist will coordinate with EMR and provider to load BlinkRx into the system
 - EMR updates may take 24 hours to process
- A BlinkRx Specialist will follow up with provider’s office to confirm BlinkRx is visible in the EMR

Support Resources

Provider may call in or fax the prescription directly to BlinkRx.
